

## Offerings from the Table of the Lord - 2010 Guidelines for Applications to be Youth Ambassadors

“Offerings from the Table of the Lord” is an international exchange program begun in 1995 by the Saitama Diocese, whereby the money that would be used to feed one more person every Friday for supper, is put aside for Jesus and is then brought by the youth of the diocese every year as, “ambassadors” to children at welfare facilities in developing countries.
